### MORNING WORSHIP FOCUS

The Christian is one who need not be shaken by the threats of this world. Even in times where deceit and evil seem to rule, the believer is one who is a firm rock upon the conviction of God's sovereignty. But, this comes by way of trust in God and not being led astray by the trappings of this world. In times of uncertainty, it is easy to put our trust in things that are not the LORD. A warning is spelled out in this psalm that believers must be careful to not allow the ways of the world to become their ways, even for supposedly good ends. We must pray for protection upon the territory of God otherwise those places will become promoters of the ways of the world. We are encouraged to know that our God surrounds us, protecting his church to proclaim his good news to the world.
