MORNING WORSHIP FOCUS

As individuals and as congregations we need to respond to our problems in healthy ways (as opposed to ignoring them in apathy or becoming overwhelmed with panic and paralysis). The leaders of the church in our passage responded prayerfully and wisely to a serious problem in the life of the church, and as a result the church made good progress in becoming more effective in its ministry. Prayer and genuine hope in the power and presence of Christ are essential as we move ahead. We also need love for God and our neighbors. It's not about us - it's about Him and it's about them.

Join us after the morning service for coffee and cake to welcome Dan & Mary Brouwer to Comstock.
