Message Focus - Our scripture passage today is the familiar story of Naaman the Syrian, and the cure of his leprosy. It tells us a great deal about how we need to relate to new believers.

Prelude - Now thank we all our God with heart and hands and voices,
 Who wondrous things has done, in whom His world rejoices;
 Who, from our mothers' arms, has blessed us on our way
 With countless gifts of love, and still is ours today

Praise to the Lord, the Almighty, the King of creation!
 O my soul praise him, for he is your health and salvation!
 Come, all who hear; brothers and sisters, draw near,
 Join me in glad adoration.
