Worship Focus

We would all jump at the chance to go back in time and personally witness all the things Jesus' disciples witnessed in Mark chapter 6. In our short passage from this chapter this morning, Jesus' disciples witnessed a miracle of Jesus that was so awe inspiring that hordes of new people responded to it by seeking Jesus out. The disciples, however, just didn't get it because their hearts were "hard," or calloused. They hadn't been getting it for quite a while already. How does that happen? If we read the whole chapter and see how all the little stories in it tell a big story, we see in that big story how spiritual fatigue can spiral out of control and lead to unbelief that drains us of spiritual power and restricts the advancement of the Kingdom. "Sometimes We Just Need to Get Some Rest Right Now." There are indications that this is an important principle for our congregation to observe at this point in our 105 year history.
