

## What's New in the Library

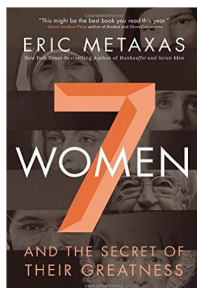

### BOOKS:

**Eve** by Wm. Paul Young- Explore the breathtaking discoveries of this beautifully crafted novel about the mother of all humanity. The author of the best-seller **The Shack** stays true to both the Bible text and centuries of scholarship, while challenging faulty misconceptions and helping Eve's children see one another as our Creator does – complete, unique, and free from human-defined limitations.

**7 Women and Their Secret of Greatness** by Eric Metaxas – Last month we featured **7 Men and Their Secret of Greatness**. Now it's the women's turn.

Read the captivating stories of 7 women who changed the course of history (Joan of Arc, Susanna Wesley, Hannah Moore, Maria Skobtsova, Corrie ten Boom, Rosa Parks, and Mother Theresa).

### DVDs:

**War Room**– The Jordans seem to have it all: great jobs, a beautiful daughter, and a dream house. But in reality, they are crumbling under the strain of a failing marriage. Their lives take an unexpected turn for the better when Elizabeth meets Miss Clara, an older woman who encourages her to pray for her husband rather than fight with him. And when she does, things begin to change . . . A powerful movie – but not just a movie, many have testified it's a life changer!

**SuperBook Series** – We were given a wonderful donation of several of the Christian Broadcasting Network's SuperBook series, where you can travel through time with Chris, Joy and their robot Gizmo on exciting adventures from Scripture. You'll discover that each Bible story is as powerful and true today as it was when it was written thousands of years ago! This month we feature:

### **“In the Beginning”** –

When Chris disobeys his Dad's orders and nearly destroys his father's top-secret project, our group travels back in time to experience the story of Creation. You'll learn important lessons about obedience and forgiveness, and discover that although we do things we shouldn't - God is full of love and has a wonderful plan for our future.

### **“The Test”** – This time

travel back to the days of Abraham, the friend of God. As you witness the ultimate test Abraham faces, you'll realize that the things we think will make us happy don't always work out the way we imagined. And how unexpected joy and happiness sometimes come through the hardest choices we have to make.
